

WORTH II

WORTH Partnership Project II creates and supports transnational collaborations between designers, creative people, manufacturing enterprises (SMEs), crafters/makers and technology firms looking to develop design-driven and innovative products.

WORTH provides **designers, SME manufacturers, crafters and technology firms** a platform to develop creative concepts and the opportunity to enter into a **transnational partnership**.

The project is funded by the COSME Programme of the European Union and offers **participants funding, a tailored coaching programme, market positioning, networking, professional links and international product showcase**.
