INSPIRING INNOVATION THROUGH CREATIVE CONNECTIONS AROUND EUROPE

WORTH Partnership Project is funded by the European Commission under COSME, the EU programme for the competitiveness of small and medium-sized enterprises.

WORTH is the sole European project where **designers, SMEs, manufacturers,** and **tech providers** work together to develop innovative, design-oriented business ideas.

The project focuses on transnational partnerships and support for distinctive and innovative design projects and ideas in the following areas:

Fashion and textile
Footwear
Leather and fur
Furniture
Home decoration
Interior design
Architecture
Jewellery
Accessories

In this 3rd call, we're not merely choosing projects; we're embarking on a journey to tackle the pressing issues of our time.

Whether you possess a **pioneering tech innovation**, a **transformative solution** in the realm of **circular economy**, an expertise in **digital manufacturing, high-value solutions**, breakthroughs in **high-performance materials**, a vision for the **reinvention of craftsmanship**, or a passion for **social innovation**, we invite you to join us.

The project provides designers and companies with an incubation programme to develop new businesses, including:

Financial support
€10.000 to €20.000

Tailored coaching on business strategy
and technology development

Legal advice on intellectual
property rights and protection

Participation in exhibitions

Networking and professional links

Launched in 2021, WORTH II follows the success of the first edition (2017-2021). **200 transnational partnerships** will be selected in three calls for proposals, involving partners from EU-27, UK and COSME countries.
